NOTES: The Fall Federal Depository Library Conference & Depository Library Council Meeting will be held from Sunday, October 17 through Wednesday, October 20, 2004. For more information on other programs of interest taking place during the four-day event please see the full agenda at: www.gpoaccess.gov/DLCagenda.html

GPO is responsible for the production and distribution of information products and services for all three branches of the Federal Government. More than 268,000 Federal Government document titles are available to the public via www.gpoaccess.gov. Printed copies of many of those documents may also be ordered through the GPO's web site. The GPO, through partnership with 1,250 libraries participating in the Federal Depository Library Program, provides personal assistance in locating and using Government information. Participating libraries may be located on GPO's web site.
